) RECORD FOR PLAINTIFF

I, Tonette Vazquez submit this opposition to the proposed order granting motion to withdraw as counsel of record for plaintiff for reasons: I do not understand everything that was on the documents that I am now responding to. However, I object to the Attorneys leaving me without representation as I need to be represented. I will explain further when I am in front of you on the upcoming court day. However, if the court releases my Attorneys from representing me, I request the court appoints new Attorneys to represent me with my case.
